Case Study 2: RFID operation, applications and its limitations in agriculture/food sector

Team presentation

Hi, my name is
Tamás! I'm from
Hungary and I'm a
bachelor student
of Electrical
Engineering at the
Széchenyi István
University in
Győr.

I like cats.

I like dogs.

And I
love
pizza.

I always try to find a
way to achieve my
goals and do my
job the best I can.

As my hobbies
I enjoy hiking
and travelling.
I like to meet
new places,
new people
and different
cultures.

Hi, I'm Enrique! I'm from Spain and I'm a Master student of engineering of telecommunications at the UPV

I like travelling and explore new places

I am people personal and I get along well with other, so I work well in group

Some of values that define me are: hardworking, motivation to grow and learn. I am determined and enthusiastic.

I enjoy watching games and spend some time with my friends

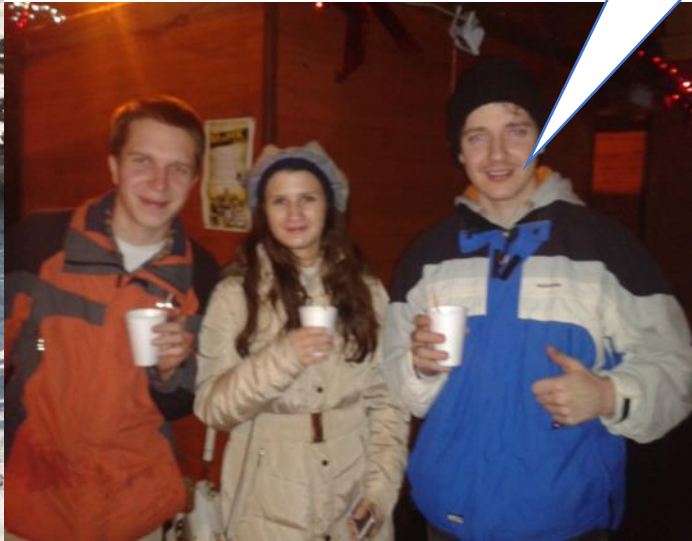

Hi, I'm Ján!
Friends call me
Jano. I come
from Slovakia
and I am PhD.
Student at
Faculty of
management
science and
informatics.

I like free time activities
like walking to the
mountain, spend time
with friends. In my area,
we have many ski
centers, therefore I
enjoy skiing every
winter.

I like outside hobbies like climbing, walking and camping. I live in Paris but I enjoy wild activities !

During vacations I enjoy camping, exploring new places with friends or just spend time at the sea.

Hi, I'm Grégoire, but you can call me Greg or even Gregou. I come from France and I study telecommunications and computer science.

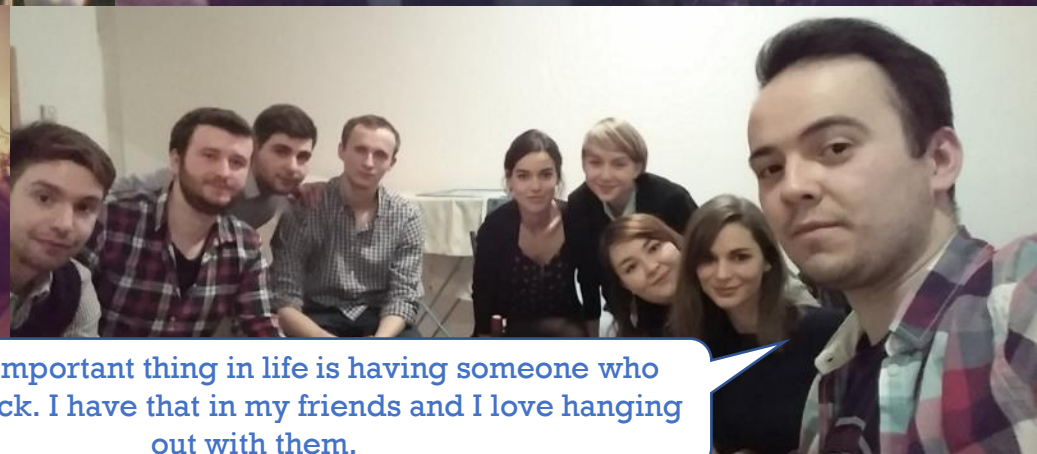

Hi, I'm Hrvoje! I'm from Croatia and I'm a student at the Faculty of Electrical Engineering and Computing at the University of Zagreb.

I think of myself as a hard worker who's always happy to help. I love what I do and I believe that matters the most when choosing your profession.

I'm a big indie and alternative rock fan. The thing I enjoy the most is listening to music at festivals and concerts with my friends.

The most important thing in life is having someone who has your back. I have that in my friends and I love hanging out with them.

Strengths

- Willing to learn something new
- Capable to adapt
- Not afraid of challenges

Weaknesses

- Not familiar with the agriculture industry
